

GENESIS

SYSTEMS

INC.

VALVES

BALL VALVES

Apollo - Made in the USA!
Conval - Severe Service, Metal Seated, In-Line Repairable
Fujikin - Ceramic Lined
Marwin - 2 & 3 Way Standard
SVF - Standard & Specialty, 2 & 3 Way, NPT, SW, Flanged, and Cryogenic
SVF - CleanTech & CleanFlow High Purity

CHECK VALVES

Check-All - Silent Piston, Flanged, NPT, and more!
Champlon - Wafer Swing Check
Champlon - Wafer Dual Disc
Champlon - Nozzle Check

DIAPHRAGM VALVES

GEMU - Sanitary, Ultrapure, Industrial, Actuators & Control Tops, Multi-Port Valves

PLASTIC, PLUG VALVES

Georg Fischer (GF+) - Engineered Plastic Ball, Butterfly and Diaphragm Valves; Pressure Regulators
Fluoroseal - Non-Lubricated Sleeved Plug Valves
Crispin - Rubber Lined Eccentric Plug Valves

DAMPER VALVES

Shan-Rod - Fabricated Dampers, Butterfly Valves, Gate Valves, and Guillotines for Abrasion, Heat, and Corrosion Applications

BUTTERFLY VALVES

EBRO - Resilient Seated, Teflon Lined, High Performance ANSI 150, 300
Apollo - Resilient Seated, High Performance ANSI 150 - 600
Pratt Industrial - Resilient Seated, Teflon Lined, High Performance ANSI 150 - 600
Zwick - Rotary, Triple Offset, Zero Leakage, Metal Seated to ANSI 900
Crispin - Cast Iron Flanged, Fully Compliant to AWWA-C504, 3"-168"
Ceresist - Ceramic Lined

STEAM, HIGH PRESSURE VALVES

Conval - Clampseal, Vent Drain & Blowdown Y-Pattern to ANSI 4500 Class, Section I Globe & Check
Conval - Severe Service Metal Seated Ball Valve
Powell - Forged & Cast Gates, Globes and Checks
Zwick - Zero Leakage, Rotary Triple Offset Valve

KNIFEGATE VALVES

Stafsjo - Rubber Lined, Slurry Trims, Heavy Duty
Stafsjo - Standard & Severe Service, Metal
NewCon - Polyurethane Line Slurry Valve
Technequip - Heavy Duty Rubber Lined Slurry Valve

SANITARY VALVES

SVF - CleanTech and CleanFlow Ball Valves
GEMU - Diaphragm Valves
Keystone Hygienic - Pentair / Sudmo Hygienic
Hovap - Tri-Clamp, BW Ball Valve
Steriflow - Ball, Check & Control Valves; Steam Traps
Pentair Hygienic (Previously Keystone Hygienic) - Sanitary Butterfly, Divert and Mix-Proof Valves
Sudmo - Sanitary Butterfly, Divert, Mix-Proof and PMO Valves

ACTUATORS AND ACCESSORIES

ACTUATORS

Limitorque - Electric, Multiturn and Quarter Turn
Apollo - Pneumatic, Electric Quarter Turn
GEMU - Pneumatic
Unitorq - Pneumatic, Electric Quarter Turn
Kinetrol - Vane High Performance, Damper Drives
MorIn - Pneumatic Quarter Turn
QRTCO - Pneumatic Quarter Turn, All Stainless Available
SVF - Pneumatic, Electric Quarter Turn
EBRO - Pneumatic, Electric Quarter Turn

ACTUATOR ACCESSORIES

ASCO - Solenoid Valves
Burkert - Solenoid Valves
Westlock - Position Switches and Monitors, Bus and 2-Wire Protocol Devices
PMV - Positioners
Monteur - Limit Switches
GEMU - Consolidated Control Tops
Kinetrol - Limit Switches, Positioners
QRTCO - ESD Partial Stroke Devices

CONTROL VALVES & REGULATORS

CONTROL VALVES

Jordan - JCVS, Globe, Mixing, Wafer, Electric
Jordan - Linear, Sliding Gate & Wafer Control Valve
Jordan - LowFlow Control Valve
Jordan - Steriflow Sanitary Control Valve
Jordan - 3-Way Mixing / Diverting Valve
Jordan - Gas & Tank Blanketing Valve
Jordan - JCVS Globe Style Control Valve - To Class 2500
Jordan - JCVS Rotary Style Control Valve - To Class 600
Crispin - Lined Eccentric Plug Valves
Marwin - Characterized Seat Ball Valve
Sur-Flo - Back Pressure Control Valve
LowFlow - Control Valves with Cv as low as .0001
Steriflow - Sanitary & Ultra-Pure Valve
Zwick - Rotary Control Valve, Tri-Shark
SVF - Characterized "V" Ball Control Valve

REGULATORS

Jordan - Pressure Reducing & Back Pressure Regulators
Jordan - Temperature Regulators
Jordan - High Pressure Gas Regulators
Jordan - Gas & Tank Blanketing Gas Regulators
Jordan - Differential Pressure Vacuum Regulators
Jordan - Air Loaded Pressure Regulators
Jordan - Pilot Operated Pressure Regulators
Jordan - Gas Pressure Regulators

SPECIALTY PRODUCTS

FANS & BLOWERS

Chicago Blower - Centrifugal & Vane Axial
Chicago Blower - Heavy Duty, API & FRP
Chicago Blower - Custom Dampers
Chicago Blower - Damper Drives
Chicago Blower - Silencers

METERS / MEASUREMENT EQUIPMENT

Sur-Flo - Liquid Turbine Meter
Sur-Flo - Control Valve
Roto-Boss - Multi-Orifice Gas Meter
Roto-Boss - Automated Multi-Orifice Meter
Blancett - B3000 Flow Meter
Blancett - Totalizers and Meters

BULK SOLIDS HANDLING

EBRO - FS-M Impeller Valve
EBRO - VIDOS Vibrating Shaft Butterfly Valve
EBRO - INFLAS & INFLATROL Inflatable Seat Butterfly Valve
EBRO - Cycle-Lock Tandem Butterfly Valve Assembly
EBRO - Z011 Polyurethane Seat Butterfly Valve
Stafsjo - HG Ported Gate Valve
Stafsjo - MV Knife Gate Valve

CERAMIC-LINED PRODUCTS

Ceresist - Butterfly Valves, Pipe, Spools, Elbows, Orifice Plates
Fujikin - Ball Valves

Genesis Systems is a Leading Valve & Valve Automation Distributor!

- Represent top quality, major brand name manufacturers!
- Retain a well trained, dedicated staff, with over 150 years of experience, driven to develop and maintain satisfied customers!
- Train our staff using Integrity Selling® to facilitate a needs based, honest approach to working with customers!
- Each and every automated valve is functionally tested in our Valve Automation Center (VAC)!
- Genesis has the capability to automate valves up to 48" in our VAC with pneumatic, electric or electro-hydraulic actuators and controls.

**Proudly Serving Oklahoma,
Central, West and North Texas**
