VALVES

BALL VALVES

Apollo - Industrial 2 pc & 3 pc NPT, SW, Flanged, Made in the USA!
PBM - 2-Way, Multi-Port, Tank Bottom, Cryogenic, Specialty Alloys
Conval - Severe Service, Metal Seated, In-Line Repairable
Fujikin - Ceramic Lined
Marwin - 3pc NPT, SW, 2pc Flanged
Chaoda - Soft and Metal Seated Ball Valves ANSI 150-2500

CHECK VALVES/STRAINERS

Check-All - Silent Piston, Flanged, NPT, and more!
Champion - Wafer Swing Check
Champion - Wafer Dual Disc
Champion - Nozzle Check
Velan - API 600, 602, 603 Swing, Piston, Cryogenic
Titan - Y-Strainers, Basket Strainers, Duplex Strainers

DIAPHRAGM VALVES

Saunders - Sanitary, Ultrapure, Industrial, Actuators & Control Tops, Multi-Port Valves

PLASTIC, PLUG VALVES

Georg Fischer (GF+) - Engineered Plastic Ball, Butterfly and Diaphragm Valves; Pressure Regulators
Fluoroseal - Non-Lubricated Sleeved Plug Valves
Crispin - Rubber Lined Eccentric Plug Valves

DAMPER VALVES

Elite Industrial Controls (Shan-Rod) - Fabricated Dampers, Butterfly Valves, Gate Valves, and Guillotines for Abrasion, Heat, and Corrosion

BUTTERFLY VALVES

EBRO - Resilient Seated, Teflon Lined, High Performance ANSI 150, 300
Apollo - Resilient Seated, High Performance ANSI 150 - 600
Pratt Industrial - Resilient Seated, Teflon Lined, High Performance ANSI 150 - 600
Zwick - Rotary, Triple Offset, Zero Leakage, Metal Seated to ANSI 900
Crispin - Cast Iron Flanged, Fully Compliant to AWWA-C504, 3"-168"
Ceresist - Ceramic Lined

STEAM, HIGH PRESSURE VALVES

Conval - Clampseal, Vent Drain & Blowdown Y-Pattern to ANSI 4500 Class, Section I Globe & Check
Conval - Severe Service Metal Seated Ball Valve
Velan - Forged & Cast Gates, Globes, Check & Steam Traps
Zwick - Zero Leakage, Rotary Triple Offset Valve

KNIFEGATE VALVES

Stafsjo - Rubber Lined, Slurry Trims, Heavy Duty
Elite Industrial Controls - Fabricated Knife Gate Valves
NewCon - Polyurethane Line Slurry Valve
Technequip - Heavy Duty, Rubber Lined Slurry Valve
Pratt-Mueller - Metal Seated Knife Gate Valves

SANITARY VALVES

PBM - 2-Way, Multi-Port, True-Bore, ASME BPE & FDA Compliant
Saunders - Diaphragm Valves
Steriflow - Ball, Check & Control Valves; Steam Traps
Pentair Hygienic (Previously Keystone Hygienic) - Sanitary Butterfly, Divert and Mix-Proof Valves
Sudmo - Sanitary Butterfly, Divert, Mix-Proof and PMO Valves

ACTUATORS AND ACCESSORIES

ACTUATORS

Limitorque - Electric, Multi-Turn and Quarter-Turn
Limitorque - Pneumatic Rack & Pinion, Scotch-Yoke
AUMA - Electric Multi-Turn and Quarter-Turn
Apollo - Pneumatic, Electric Quarter-Turn
Air-Torque - Pneumatic Rack & Pinion, Scotch-Yoke
Unitorg - Pneumatic Rack & Pinion, Electric Quarter-Turn
Kinetrol - Pneumatic Vane Style High Performance, Damper Drives, Manual Overrides
QRTCO - Pneumatic Flat Yoke, All Stainless Available
EBRO - Pneumatic, Electric Quarter Turn
Pratt Industrial - Pneumatic Rack & Pinion, Scotch-Yoke, Electric
Cowan Dynamics - Specialty Pneumatic, Hydraulic and Electro-Hydraulic

ACTUATOR ACCESSORIES

ASCO - Solenoid Valves
Westlock - Position Switches, Digital Positioners, Monitors, Bus and 2-Wire Protocol Devices
PMV - Pneumatic, Electro-Pneumatic and Digital Positioners, Bus and 2-Wire Protocols
TopWorx - Limit Switches and Controllers
Moniteur - Limit Switches
Saunders - Consolidated Control Tops
Kinetrol - Limit Switches, Positioners
Diamond Gear - Declutch Manual Overrides

CONTROL VALVES & REGULATORS

CONTROL VALVES

Trimteck - Globe, V-Ball, Eccentric Plug and Butterfly Valve
Jordan - Linear, Sliding Gate & Wafer Control Valves
LowFlow - Fractional Flow Control Valves
Steriflow - Sanitary and Ultrapure Control Valves
Jordan - 3-Way Mixing / Diverting Valves
Jordan - Gas & Tank Blanketing Valves
Crispin - Lined Eccentric Plug Valves
Marwin - Characterized Seat Ball Valve
Sur-Flo - Back Pressure Control Valve
Zwick Tri-Shark - Rotary Control Valve, Equal %
SharkTooth - Equal % Control Cartridge for Butterfly Valves
Gosco - Vari-V Characterized Ball, High Cycle
PBM - Characterized Ball, Cryogenic
Fujikin - Ceramic Control Valves

REGULATORS

Jordan - Pressure Reducing & Back Pressure Regulators
Jordan - Temperature Regulators
Jordan - High Pressure Gas Regulators
Jordan - Gas & Tank Blanketing Gas Regulators
Jordan - Differential Pressure Vacuum Regulators
Jordan - Air Loaded Pressure Regulators
Jordan - Pilot Operated Pressure Regulators
Jordan - Gas Pressure Regulators

SPECIALTY PRODUCTS

FANS & BLOWERS

Chicago Blower - Centrifugal & Vane Axial
Chicago Blower - Heavy Duty, API & FRP
Chicago Blower - Custom Dampers
Chicago Blower - Damper Drives
Chicago Blower - Silencers

METERS / MEASUREMENT EQUIPMENT

Sur-Flo - Liquid Turbine Meter
Sur-Flo - Control Valve
Roto-Boss - Multi-Orifice Gas Meter
Roto-Boss - Automated Multi-Orifice Meter
Blancett - B3000 Flow Totalizer

BULK SOLIDS HANDLING

EBRO - FS-M Impeller Valve
EBRO - VIDOS Vibrating Shaft Butterfly Valve
EBRO - INFLAS & INFLATROL Inflatable Seat Butterfly Valve
EBRO - Cycle-Lock Tandem Butterfly Valve Assembly
EBRO - Z011 Polyurethane Seat Butterfly Valve
Stafsjo - HG Ported Gate Valve
Stafsjo - MV Knife Gate Valve

CERAMIC-LINED PRODUCTS

Ceresist - Butterfly Valves, Pipe, Spools, Elbows, Orifice Plates
Fujikin - Ball Valves

PUMP PROTECTION

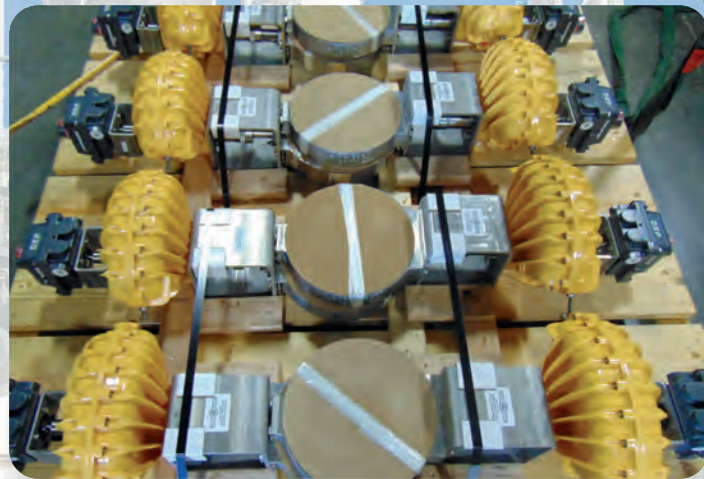

HBE Engineering - Automatic Recirculation Valves, ANSI 150#-#2500
HBE Engineering - Anti-Flash Valve for Cavitation Protection
HBE Engineering - Multi-Stage Orifices for High Pressure Drops

- Represent top quality, major brand name manufacturers!
- Retain a well trained, dedicated staff, with over 250 years of experience, driven to develop and maintain satisfied customers!
- Train our staff using Integrity Selling to facilitate a needs based, honest approach to working with customers!
- Each and every automated valve is functionally tested in our Valve Automation Center (VAC)!
- Genesis has the capability to automate valves up to 48" in our VAC with pneumatic, electric or electro-hydraulic actuators and controls.
