# VALVES

## BALL VALVES

**Apollo** - Industrial 2 pc & 3 pc NPT, SW, Flanged, Made in the USA!  
**PBM** - 2-Way, Multi-Port, Tank Bottom, Cryogenic, Specialty Alloys  
**Conval** - Severe Service, Metal Seated, In-Line Repairable  
**Tru-Flo by QSM** - 3 pc 316 SS, NPT, SW, Flanged  
**Fujikin** - Ceramic Lined  
**Chaoda** - Soft and Metal Seated Ball Valves ANSI 150-2500  
**RBR** - Trunnion, Cryogenic and Specialty Ball Valves  
**Fossil Power Systems (FPS)** - FM Approved Ball Valve Assemblies

## BUTTERFLY VALVES

**EBRO** - Resilient Seated, Teflon Lined, High Performance ANSI 150, 300  
**Apollo** - Resilient Seated, High Performance ANSI 150-600  
**Pratt Industrial** - Resilient Seated, Teflon Lined, High Performance ANSI 150-600  
**Zwick** - Zero Leakage, Rotary Triple Offset Valve  
**Crispin** - Cast Iron Flanged, Fully Compliant to AWWA-C504, 3"-168"  
**Ceresist** - Ceramic Lined

## CHECK VALVES/STRAINERS

**Check-All** - Silent Piston, Flanged, t, and more!  
**Champion** - Wafer Swing Check  
**Champion** - Wafer Dual Disc  
**Champion** - Nozzle Check  
**Velan** - API 600, 602, 603 Swing, Piston, Cryogenic  
**Titan** - Y-Strainers, Basket Strainers, Duplex Strainers

## STEAM, HIGH PRESSURE VALVES

**Conval** - Clamseal, Vent Drain & Blowdown Y-Pattern to ANSI 4500 Class, Section I Globe & Check  
**Conval** - Camseal Severe Service Metal Seated Ball Valve  
**Velan** - Forged & cast Gates, Globes, Check & Steam Traps  
**Zwick** - Zero Leakage, Rotary Triple Offset Valve  
**Xanik** - Gate, Globe and Check Valves

## DIAPHRAGM VALVES

**Saunders** - Sanitary, Ultrapure, Industrial, Actuators & Control Tops, Multi-Port Valves

## KNIFEGATE VALVES

**Stafsjo** - Rubber Lined, Slurry Trims, Heavy Duty  
**Elite Industrial Controls** - Fabricated Knife Gate Valves  
**NewCon** - Polyurethane Line Slurry Valve  
**Technequip** - Heavy Duty, Rubber Lined Slurry Valve  
**Pratt-Mueller** - Metal Seated Knife Gate Valves

## PLASTIC, PLUG VALVES

**Georg Fischer (GF+)** - Engineered Plastic Ball, Butterfly and Diaphragm Valves Pressure Regulators  
**Simtech** - Thermoplastic piping, valves and fittings  
**Fluoroseal** - Non-Lubricated Sleeved Plug Valves  
**Crispin** - Rubber Lined Eccentric Plug Valves

## SANITARY VALVES

**PBM** - 2-way, Multi-Port, True-Bore, ASME BPE & FDA Compliant  
**Saunders** - Diaphragm Valves  
**Tru-Flo by QSM** - Ball, Butterfly & Check Valves  
**Pentair Hygienic (Previously Keystone Hygienic)** - Sanitary Butterfly, Divert & Mix-Proof Valves  
**Sudmo** - Sanitary Butterfly, Divert, Mix-Proof & PMO Valves  
**Cashco** - Sanitary Control Valves and Regulators  
**CheckAll** - Sanitary Check Valves

## DAMPER VALVES

**Elite Industrial Controls (Shan-Rod)** - Fabricated Dampers, Butterfly Valves, Gate Valved & Guillotines for Abrasion, Heat, & Corrosion Applications

# ACTUATORS & ACCESSORIES

## ACTUATORS

**Auma** - Electric Motor Operators  
**Air Torque** - Pneumatic Rack & Pinion, Scotch Yoke  
**Limitorque** - Pneumatic & Electric  
**QRTCO** - Pneumatic Patented Rack & Gear Actuators  
**Morin/Biff** - Pneumatic and Hydraulic  
**Kinetrol** - Vane High Performance Pneumatic Actuators  
**Promation** - Electric Quarter-Turn  
**Pratt Industrial** - Rack & Pinion Pneumatic, Scotch-Yoke Pneumatic, Quarter-Turn Electric  
**Cowan Dynamics** - Pneumatic and Hydraulic Linear and Rotary Actuators, ESD Automation Packages

## ACTUATORS ACCESSORIES

**ASCO** - Solenoid Valves  
**Westlock** - Position Switches, Digital Positioners, Monitors, Bus and 2-Wire protocol devices  
**PMV** - Pneumatic, Electro-Pneumatic & Digital Positioners, Bus and 2-Wire Protocols  
**TopWorx** - Limit Switches and Controllers  
**Moniteur** - Limit Switches  
**Saunders** - Consolidated Control Tops  
**Kinetrol** - Limit Switches, Positioners  
**Diamond Gear** - Declutch Manual Overrides

# CONTROL VALVES & REGULATORS

## CONTROL VALVES

**Trimteck** - Globe, V-Ball, Eccentric Plug & Butterfly Valve  
**Cashco** - Globe, Eccentric plug, PTFE lined  
**Cashco** - Fractional Flow Control  
**Cashco** - Sanitary Globe Style  
**Cashco** - Gas & Tank Blanketing Valves  
**Crisco** - Lined Eccentric Plug Valves  
**Apollo** - Characterized Seat Ball Valve  
**Sur-Flo** - Back Pressure Control Valve  
**Zwick Tri-Shark** - Rotary Control Valve, Equal %  
**SharkTooth** - Equal % Control Cartridge for Butterfly Valves  
**Gosco** -Vari-V Characterized Ball, High Cycle  
**PBM** - Characterized Ball, Cryogenic  
**Fujikin**- Ceramic Control Valves

## REGULATORS

**Cashco**- Pressure Reducing & Back Pressure Regulators  
**Cashco** - High Pressure Gas Regulators  
**Cashco** - Gas & Tank Blanketing Gas Regulators  
**Cashco** - Differential Pressure Vacuum Regulators  
**Cashco** - Air Loaded Pressure Regulators  
**Cashco** - Pilot Operated Pressure Regulators  
**Cashco** - Pressure Build Economizers

## FLAME ARRESTORS

**Cashco** - Deflagration Flame Arrestors  
**Cashco** - Detonation Flame Arrestors

## STORAGE TANK EQUIPMENT

**VCI** - Conservation Vents  
**VCI** - Emergency Relief Vents  
**Cashco** - Gas & Tank Blanketing Gas Regulators  
**VCI** - Gauge Hatches  
**VCI** - Tank Manifolds

# SPECIALTY PRODUCTS

## FANS & BLOWERS

**Chicago Blower** - Centrifugal & Vane Axial  
**Chicago Blower** - Heavy Duty API & FRP  
**Chicago Blower** - Custom Dampers  
**Chicago Blower** - Damper Drives  
**Chicago Blower** - Silencers

## METERS/MEASUREMENT EQUIPMENT

**Sur-Flo** - Liquid turbine Meter  
**Sur-Flo** - Control Valve  
**Roto-Boss** - Multi-Orifice Gas Meter  
**Roto-Boss** - Automated Multi-Orifice Meter  
**Blancett** - B30000 Flow Totalizer  
**Questtec** - Liquid Level Measurement

## BULK SOLIDS HANDLING

**EBRO** - FS-M Impeller Valve  
**EBRO** - VIDOS Vibrating Shaft Butterfly Valve  
**EBRO** - INFLAS & INFLATROL Inflatable Seat Butterfly Valve  
**EBRO** - Cycle-Lock Tandem Butterfly Valve Assembly  
**EBRO** - Z011 Polyurethane Seat Butterfly Valve  
**Stafsjo** - HG Ported Gate Valve  
**Stafsjo** - MV Knife Gate Valve

## CERAMIC-LINED PRODUCTS

**Ceresist** - Butterfly Valves, Pipe, Spools, Elbows, Orifice Plates  
**Fujikin** - Ball Valves

## RELIEF VALVES

**Trillium Flow Technologies-Sarasin Relief Valves** - Section 1 & Section 8, Pilot & Conventional, Balanced Bellow

## PUMP PROTECTION

**HBE Engineering** - Automatic Recirculation Valves, ANSI 150#-#2500  
**HBE Engineering** - Anti-Flash Valve for Cavitation Protection  
**HBE Engineering** - Multi-Stage Orifices for High Pressure Drops

## LINED PRODUCTS

**Ebro** - PFA and TFM Lined Butterfly Valves  
**SwissFluid** - PFA Lined Ball, Butterfly and Check Valves

- Represent top quality, major brand name manufacturers!
- Retain a well trained, dedicated staff, with over 250 years of experience, driven to develop and maintain satisfied customers!
- Train our staff using Integrity Selling to facilitate a needs based, honest approach to working with customers!
- Each and every automated valve is functionally tested in our Valve Automation Center (VAC)!
- Genesis has the capability to automate valves up to 48" in our VAC with pneumatic, electric or electro-hydraulic actuators and controls.
